Notes:-
1. The above results were reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on August 13, 2020.
2. The entire income of the Company comprises of dividend and interest income and accordingly there are no revaluations.
3. Previous period's figures have been regrouped wherever necessary to conform to the classification for the current periods.
4. The spread of COVID-19 pandemic has caused widespread disruption in business across the world. As a significant part of the Company's business is from dividend income and from the gains on appreciation of its investments, the Company's revenues and profitability is directly linked with the business prospects of its investments. The Company has made a detailed assessment of its liquidity position as at the date of approval of these financial results for the next one year and of the recoverability and carrying values of its assets as at the reporting date and has concluded that there are no material adjustments required in the standalone and consolidated financial results. The Management believes that it has taken into account all the possible impact of known events and economic forecasts based on internal and external sources of information arising from the COVID-19 pandemic while making such assessment in the preparation of the standalone and consolidated financial results. However, the impact assessment of COVID-19 is an continuing process given the uncertainties associated with its nature and duration. The Company is monitoring the situation closely and is conducting its operations in compliance with all relevant Government directives and will continue to closely monitor any material changes to future economic conditions and take actions as are appropriate based on future economic conditions.
